## MR10 CLIP-ON

### HANDS-FREE CREW COMMUNICATION THAT FEATURES A FLEXIBLE CLIP-ON WIRELESS PACK FOR COMFORT AND EXCEPTIONAL RANGE PERFORMANCE EVEN ON TOUGH JOB SITES.

The CrewPlex MR10 is part of a hands-free, full-duplex wireless intercom system that helps crews overcome the challenges of communicating in environments where noise, distance, and task complexity can affect safety and productivity. The MR10's flexible clip-on design easily attaches to most hard hat styles. Comfortable, powerful, yet easy to use, the MR10 is the perfect communication solution for busy crews.

2.7 in. x 3.9 in.

## LISTEN-ONLY RECEIVER

Small and lightweight, the CrewPlex Wireless Receiver is a cost effective, listen-only solution for users to stay connected and monitor all conversations. An unlimited amount of receivers can be used in combination with MR10 or DR10 beltpacks to keep more of your users connected and working together as a team. Users can listen using the built-in speaker or connect an earpiece to listen to the audio privately and discreetly. The CrewPlex Receiver is compatible with the [CHS-IE-REC] Listen-Only Earpiece and the [CHS-OE-REC] Over the Ear Listen-Only Earpiece.

High-quality audio, excellent range, and ease of use make the CrewPlex Receiver a perfect solution for groups to stay connected, productive, and safe.
